Md Rabius Sany Apu

Dhaka, Bangladesh
✉[regular] rabiussanyapu@gmail.com
🌐 www.linkedin.com/in/rabiussanyapu

RESEARCH INTEREST

Machine Learning, Deep Learning, Robotics.

TECHNICAL SKILLS

Machine Learning	Pandas, NumPy, matplotlib, scikit-learn, PyTorch, Python, SQL
Others	C, C++, git, Latex, Matlab, Data structure and Algorithm, AutoCAD, etc.

EXPERIENCE

Neuromatch Academy — **Remote**
Interactive Student — *July 2023 - August 2023*

Topics: Deep Learning, Computer Vision, NLP.

Omdena — **Remote**
Jr. ML engineer (Volunteer) — *January 2023 - February 2023*

Dhaka Electric Supply Company Limited — **Dhaka, Bangladesh**
Electrical and Electronics Engineering Intern — *November 2021 - January 2022*

International University of Business Agriculture and Technology — **Dhaka, Bangladesh**
Undergraduate Research Student — *January 2021 - December 2021*

Advisor: Murad Kabir Nipun

Thesis: *"Implementation of a Pulse Oximeter"*
This thesis aimed to provide an affordable Pulse oximeter during Covid-19.

EDUCATION

International University of Business Agriculture and Technology — **Dhaka, Bangladesh**
B.Sc in Electrical and Electronics Engineering — *January 2022*
CGPA: 3.38/4.00

Online Courses

Deep Learning with PyTorch by DataCamp
Improving Deep Neural Networks: Hyperparameter Tuning, Regularization and Optimization by DeepLearning.AI
Machine Learning with Python by IBM
Neural network and Deep Learning by DeepLearning.AI

REFERENCES

Murad Kabir Nipun
Assistant Professor, Department of Electrical and Electronics Engineering
International University of Business Agriculture and Technology ,Dhaka , Bangladesh.
MSc in EE (LU, Sweden)
BSc in EEE (AIUB, Dhaka)
